

# **BUS TRANSPORTATION / PARKING / RV PARKING ANNUAL CONFERENCE 2015**

Bus Transportation will be available for both the downtown hotels and the south side hotels in the AM prior to start time of Annual Conference Sessions and in the PM after adjournment each day. You can choose to leave your car parked either in the Iowa Events Center parking lot during Annual Conference or at your hotel and ride the bus to and from Hy-Vee Hall.

Members of the Annual Conference will park in the North Lot at the Iowa Events Center. Handicapped parking is in the Near North Lot. Please see enclosed map. Golf carts will be available in the Near North Lot for those with physical challenges to and from Hy-Vee Hall.

Bus transportation will **not** be provided during meal break times to and from the hotels or the Grand View dorm since there is a Concessions area available onsite during meal break times.

## **RV AND CAMPERS**

There are 20 electrical connections available in the NW corner of the Far North lot on a FIRST-COME FIRST-SERVE basis.

If you will be bringing your RV or camper to the Iowa Annual Conference, it is \$28/day plus a one-time \$25 hookup fee if you want electricity. Parking is in the NW corner in the Far North Lot. A lot attendant from IEC will collect payment from you.

Please email Linda Remster to reserve your space in the Far North lot: [lremster@iaumc.org](mailto:lremster@iaumc.org). **You MUST make a reservation since there are only 20 spaces available.**

Bring a long extension cord for power hookup.
